### **Privacy notice**

We process personal data relating to the resident admission enquiry as a possible admission with us.

We do this for pre-admission purposes, to assist us in the placements, and to assist in the running of the business. The personal data may include identifiers such as name, date of birth, personal characteristics such as gender.

We will not share any identifiable information about you, the resident or any other individual with third parties without your consent unless the law allows or requires us to do so. The personal data provided during an application process will be retained for a period of at least six months or, if required by law, for as long as is required.

This privacy notice does not form part of an offer or contract between us. If we make a placement offer to you, we will provide further information about our handling of your personal information in an admission context separately.

If you would like to find out more about our data retention policy and how we use your personal data, you want to see a copy of the information about you that we hold or have any questions or issues regarding data protection, please email us with the Subject "Data Protection Request".
